OPNAV INSTRUCTION 5710.23C

From: Chief of Naval Operations

Subj: COORDINATION OF ACTIVITIES INVOLVING FOREIGN ATTACHES
ACCREDITED TO THE DEPARTMENT OF THE NAVY

1. Purpose. To ensure the earliest possible coordination of activities which will involve foreign attaches, enabling widest participation; to derive the greatest benefit from the functions which are held; and to assure most effective use of money and time.
2. Cancellation. OPNAV Instruction 5710.23B.
3. Background. Occasionally, Office of the Chief of Naval Operations (OPNAV) offices have planned programs or events for foreign attaches without coordination to determine the possibility of conflicting schedules due to plans already made by other divisions. In such instances, a poor impression is imparted, money and time is wasted, attendance by all attaches and other interested personnel is diminished, and the benefit is less than desired.
4. Action. OPNAV divisions planning a tour, briefing, reception, or other function which will involve a number of the foreign attaches are requested to inform OPNAV (N2L) (703 695-5333/4) prior to scheduling firm dates and concluding other arrangements. OPNAV (N2L) will maintain a calender of prospective activities.
